

TAMPA FRINGE

JUNE 10 - 21 • YBOR CITY

2026 FESTIVAL GUIDE

HOW TO FRINGE

SEE SHOWS! The whole reason we keep prices low is so you can “Binge on Fringe” and see as many of these indie shows as possible! Wander between all four venues, and see as much as you can...

WEAR YOUR BUTTON!

Buttons are required to be worn throughout the buildings, and are required for entry for all venues. Your first button is FREE with your first show ticket purchase. They also get you discounts at select Ybor businesses. Check the Info Booth for details!

TALK ABOUT IT! To the artists, staff, each other — YOU are the most vital part of the Fringe Festival. Help make it a party! Join us for the Late Night Cabaret and other events. Fringe is the people’s festival: this is why there have been Fringe Festivals around the world since 1946!

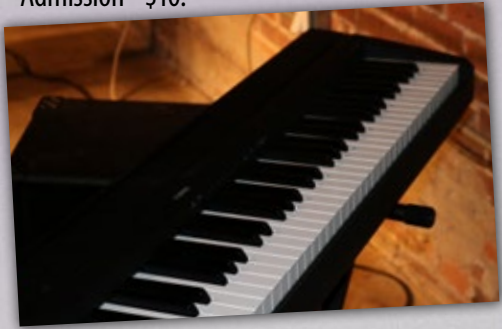

***Most shows have an additional \$3 fee, which covers service, ticketing, and credit card fees. We give 100% of the base ticket prices back to the artists! If you pay cash, we can offer a \$1 discount on the fees.

Accessibility: All venues are ADA compliant. Please email us at access@tampafringe.org if you need any accommodations in advance, or ask for the Manager of Good Times at any box office.

Content Warnings: If you have concerns about Show Content (Strobing/ flashing lights, loud sound effects, sensitive themes, etc.), visit the Info Table in Fringe Central to request a Content Guide. House Managers at each venue will also have this resource.

TAMPA FRINGE X

LATE NIGHT CABARET! The late night cabaret is back! Your favorite fringe artists diverge from what they are doing in the festival - with music, poetry, storytelling, and who knows what else! Saturday, June 20 at 10:30pm in the West Annex. General Admission - \$10.

FRINGE-E-OKE! Feeling inspired? Jump on the stage and sing a tune with us after the shows! Wednesday June 17th at 9:30pm in Fringe Central

PRODUCER'S NOTE

Hello! Welcome to the big Year 10 of the Tampa International Fringe Festival! We can not believe this is the 10th festival we've hosted here in Ybor City. Every year we have welcomed new artists and new patrons into our community, steadily growing this thing we call Fringe. If this is your first year, welcome! If this is your tenth year, welcome! When we first decided to start the Tampa Fringe, our goal was to bring in new outlooks on the performing arts, and to create this accessible platform where anyone could perform. We think we've achieved the goal - we have numerous artists that have been inspired by our community to begin and grow

their practice, many of whom have begun touring. We have many community members whose own outlooks on what art is and what it can be here in Tampa has shifted, making them more active. We love this liminal space that we all own now, for these 10 days, and we hope you too feel that creative embrace and that it warms you for the coming year.

Let's Go Beyond Theatre!
Together.

Trish Parry,
Tampa Fringe Producer

THE VENUES

Once again, three performance venues are located in the Kress Contemporary building in Historic Ybor, and one venue is at The Commodore, also on 7th Ave.

There will be a shuttle going between the Kress and the Commodore. Shuttles will start after the first show of the day.

NOTE: Due to limited shuttle space, we will require proof of the show you are going to see or just saw that requires shuttling.

If you encounter any issues navigating the festival, please don't hesitate to ask for assistance from anyone wearing a festival staff or volunteer badge.
